

# FIHA AD2 SUPP YBOK Temporary Amendment 02/24

## Cancellation of AC SI (OPS) 03-16

### 1 Purpose

YBOK FIHA AD2 SUPP para 3.3 refers to AC SI (OPS) 03-16, which has been cancelled and re-released. This amendment provides information that is no longer provided in either YBOK FIHA AD2 SUPP, or the re-released [AC SI \(OPS\) 03-16](#).

### 2 Implementation

In lieu of the present YBOK FIHA AD2 SUPP para 3.2, the below information is provided

#### 2.1 Class of service

ATC will provide Class D service to state aircraft and nominated civil aircraft within R654ABCD and the Oakey CTR. All other aircraft will receive a Class C service.

#### 2.2 Wake turbulence

Wake Turbulence separation is applied to Military Aircraft IAW FIHA. ADF pilot initiated waiver of wake turbulence separation and rotary wing waiver details are provided in FIHA ENR 1.4 2.3.2 - 2.3.4.

### Expiry

This amendment is effective until cancelled, or until incorporated into OAK FIHA AD2 SUPP.
