

YSNW AMD 01/26

1 Purpose

The purpose of this amendment is to remove the requirement for military aircraft to follow the call sign procedures in the YSNW FIHA AD2 SUPP. These requirements are better placed in alternative documents, or are otherwise unnecessary duplication of AIP.

2 Procedures

Delete GEN paragraph 6.1 '*Aircraft callsigns*' from the YSNW FIHA AD2 SUPP.

3 Cancellation

This amendment will be cancelled when incorporated into the next YSNW FIHA AD2 SUPP.
